- Tools: Git, GitHub, Jira, Postman, CI/CD, Vercel, Render
- Concepts: REST APIs, API Integration, JWT Authentication, Ajax, Agile
- Soft Skills: Problem Solving, Time Management, Adaptability, Team Collaboration

Certifications

Full Stack Web Development Certification | Illinois Tech US | Entri Elevate | July 2025- Feb 2026

- Learned core Full Stack Development concepts and modern web technologies.
- Built practical projects to solve real-world problems.
- Implemented authentication, routing, and RESTful API integration in MERN stack applications.
- Demonstrated full stack development skills through hands-on MERN stack projects.

Advanced UI/UX Developer Certification | Keltron | Dec 2022 –Feb 2023

- Transformed wireframes and prototypes into functional UI components using HTML, CSS, and JavaScript.
- Improved usability and user experience through accessibility standards, responsive layouts, and performance optimization.

Projects

Multi-Vendor Marketplace Ecommerce App (Full Stack MERN)

Live Demo: Multivendor Marketplace Ecommerce App

GitHub Repo: Project Repository

- Developed a scalable multi-vendor e-commerce platform with Admin, Vendor, and User roles.
- Implemented secure JWT authentication and role-based access control.
- Built vendor dashboard with Product CRUD and Order Management features.
- Integrated Razorpay payment gateway and RESTful APIs for transactions.

Food Ordering System (Frontend- React)

Live Demo: Food Ordering App

GitHub Repo: ProjectRepository

- Developed a responsive food ordering interface using React.js with reusable components and modern UI design.
- Implemented menu browsing, cart management, and dynamic product display using React state management.
- Integrated REST APIs to fetch food items, handle orders, and update cart data in real time.

Portfolio Website

Live Demo: Portfolio website

GitHub Repo: Project Repository

- Designed and developed a personal portfolio website to showcase projects, technical skills, and professional experience using modern responsive web technologies.

Education

Computer Science and Engineering | Anna University| Ponjesly College of Engineering | 2014 - 2018

HSC | State Board | Holy Higher Secondary School | 2012–2014

SSLC | State Board | Holy Higher Secondary School | 2012
